

*Some say they see the river,  
While others see the canyon.  
Some of each will see the sunlight,  
While others see the clouds.  
Some see trees,  
Some see rocks,  
Some see mountains,  
And others note plateaus  
To see any of these things around us  
is to glimpse part of a glorious creator  
Yet, to see only some of the things around us,  
is to miss the bigger picture of God.*
